10	In Krakow live quite a high percentage of retired people.

Aj iné charakteristiky boli uznané, pokiaľ boli správne.

02. Translate to English: **p max 8**

Úžasné centrum mesta bolo ušetrené pred deštrukciou počas 2. svetovej vojny. Na jeho rozľahlom námestí stojí katedrála a na kopci nad nimi sa týči kráľovský palác Wawel. Poľsko je najrozľahlejší štát V4 a má aj najviac obyvateľov. Má vysoký prirodzený prírastok. Veľa obyvateľov však hľadá zamestnanie v zahraničí.

Magnificent centre was spared of major destruction during world war second. On its large square is standing the Cathedral and is overlooked by the royal Wawel palace. Poland is the largest state in V4 and is has the most inhabitants. It has a high natural population growth. Many residents, however, are looking for a job abroad.

03. Translate to Slovak: **p. max 2**

Wieliczka Salt Mine

Seven hundred years of mining have left a labyrinth of tunnels, lakes and a chapel, carved entirely from salt.

Wieliczka – soľná baňa

700 rokov baníctva zanechalo labyrint tunelov, jazier a kaplnku, vyrytú iba zo soli.
