LISTENING TAPESCRIPT (Please read twice.)

Listen to what happened to Adam and his friend in New Zealand.

Adam arrived safely on the South Island in Christchurch, but you will never believe what happened to him at the airport! The Kiwi customs officer asked him if he had walking boots in his bag. He said, “Yes”. Then the officer asked him if he had mud on them. He again answered, “Yes”. The officer immediately looked at them and asked if he could clean them for him. Adam was delighted! He thought that the officer was just being nice but the thing is that New Zealand relies so much on agriculture that they make sure that it is kept safe by preventing any diseases from being carried into the country.

Adam found New Zealand so beautiful. The amazing thing for him was that he saw so many sheep but so few people. He hired a car for a few days and drove to the Fox Glacier. The ice on it was blue. He also did the typical tourist thing and hired a helicopter to go to the top.

Then his friend Nicola arrived. She missed London nightlife a bit. In New Zealand, most people go to bed early so they can get up early and not miss a second of seeing the country’s natural beauty during the day. That might sound boring to some people, but Adam didn’t mind at all.

They visited Queenstown which was also amazing. There were million things to do – and most of them quite scary. Both have already done white water rafting. They are planning some more things. Tomorrow they are doing bungee jumping at midday. Adam is sure they are not going to have breakfast tomorrow morning! It might make him sick. Nicola is not afraid. She has already done a jump and thought it was fantastic. Adam is thinking about going black water rafting – rafting at night.

ROLEPLAY

Teacher – a sibling

You are in Italy, enjoying the country and the sea. You and your brother/sister want to buy a present for your granny. She will celebrate her birthday soon after you get back home. You are sure she would like something typically Italian: a bottle of quality olive oil or a few packages of that colourful pasta! Of course, a couple CDs of music you know for sure she absolutely adores – things like Al Bano and Romina Power's romantic songs – would also be perfect!
What a present it will be!!! You hope your brother/sister agrees...
